

TARGET GENDER EQUALITY

Achieving ambitious corporate targets for women's business leadership

Target Gender Equality is an opportunity for companies participating in the United Nations Global Compact to deepen their implementation of the Women's Empowerment Principles and to strengthen their contribution to SDG Target 5.5 of the 2030 Agenda for Sustainable Development supporting women's equal representation and leadership across business at all levels.

PROGRAMME OVERVIEW

Target Gender Equality is an accelerator programme that drives business success, sustainability and contribution to SDG Target 5.5. Through facilitated performance analysis, capacity building workshops, peer- to-peer learning and multi-stakeholder dialogue at the country-level, Target Gender Equality calls for bold action in setting and reaching ambitious corporate targets for women's representation and leadership. Target Gender Equality will launch in 2020 with a focus on increasing the representation of women at the Board and Executive Management levels.

PROGRAMME BENEFITS

- Confidently set ambitious and realistic corporate targets for gender equality demonstrating commitment and action to your employees, investors and other stakeholders
- Understand your current gender equality performance through the facilitated use of the Women's Empowerment Principles Gender Gap Analysis Tool
- Engage in learning opportunities to strengthen women's representation and leadership in your business
- Build a network of peers, UN partners and experts to support your gender equality strategy and work collectively to tackle persistent barriers to gender equality
- Showcase women leaders in your company who are driving business success, sustainability and contributions to the Sustainable Development Goals (SDGs)
