Global Compact Network UK – Register of Members

Global Compact Network UK (GCN UK) is a company limited by guarantee registered in England and Wales (08567552). This is a widely used legal structure for not-for profit organisations. You can learn more about companies limited by guarantee here: <https://www.companylawclub.co.uk/companies-limited-by-guarantee>

A company limited by guarantee has members rather than shareholders. Members of the company, while not owners, have control over the Network. Only company members can:

- Vote at the Network's annual general meeting on any significant changes to the company and its purpose;
- Vote for Trustees;
- Be members of the Network Board and Network Advisory Group.

The rules within which we must operate (Companies Act 2006) make a distinction between being a member of the Network and a member of the company. The only cost of being a member of the company is that in the unlikely event that the company is wound up, members may be asked to contribute a token amount of £1 towards any outstanding debts.

Below you can find an extract from the GCN UK Register of Members. To access the full Register or become a member of the company, please contact Caterina Agnoletti at caterina.agnoletti@unglobalcompact.org.uk
