#togetherfortheSDGs

Toolkit

Participating in the SDG Flag Day campaign is easy and impactful. Here's how your organisation can get involved:

Step 1: Get your physical or digital SDG Flag

If you already own an SDG flag, we encourage you to reuse it! Alternatively, you can also show your support for the SDGs by taking part virtually using the free [digital flag provided here](#).

Step 2: Raise Your SDG Flag on SDG Flag Day

Display your SDG flag at your workplace, home, or in your community on Friday, 25th September. Download your social media assets and SDG bunting [here](#).

Step 3: Take a video or picture and share it online

Take a picture or video of your raised flag and share your commitment to the SDGs on social media by using the hashtag **#togetherfortheSDGs**

Furthermore we ask you to tag **@UN Global Compact Network UK** on LinkedIn and **@UNGGlobalCompactUK** on Instagram

That way we can like and comment on your social media posts to further amplify the message.
